

## THE PURPOSE OF THE ANCHORED MAN BOOTCAMP

is to make better men and to prepare them for the mission ahead. This video based curriculum makes spiritual growth less boring and more doable for men. As a result, men get the basic skills needed to better connect with God and others, becoming better leaders and protectors of those they love the most.

**AS A LEADER,** you get access to the 5-week video series + 2 bonus leader videos that will equip you to lead any size group. Guidebooks will need to be purchased for the number of men participating in the Bootcamp Series. Volume pricing options are available.
