“Coming into the Strong27™ mentorship experience, I had no idea what to expect. I didn’t know what accountability was because I never had a father figure or positive role models in my life. Now that I’ve experienced mentorship, my life is changed forever.”

*...Chad – STRONG27™ Protege*

**At Men of Iron, we believe in FIGHTING FOR WHAT MATTERS!  
What matters? Knowing God and your purpose.**

The STRONG27™ Mentorship Experience equips men to meet face-to-face for accountability, balance and spiritual growth. This 12-month journey guarantees both mentor and protege will KNOW GOD, KNOW THEIR PURPOSE and KNOW EACH OTHER. Equipped with tools and training from Men of Iron, mentors and protégés commit to meet 2x/month on their own schedules.
