

FRUIT — of the — SPIRIT

MEN OF IRON+

Fruit One | Love

How Do We Define It?

Affection focused on others that acts sacrificially.

What Does It Look Like?

John 4:8 & Luke 15:11-32

1. Knowing God and His affections for humanity and loving the same.
2. The father's response in the parable of the prodigal son.

How Do We Do It?

We must let God love us, because He is the source of love, and then we become a conduit for His love to others.

Let's Unpack It

- Why is it so hard for men to express love and have real experiences of love in their life?
- How does abiding in Christ help us love more effectively?
- What are a few practical ways men can abide in Christ?
- Who is someone you are challenged to love? Why?
- How could learning to love this person help you to take love further and discover the love of God?
